OMNI INTRODUCES OUR NEW WEB SITE

Your friends at Omni International are proud to announce the introduction of our new web site. Look us up at

www.OMNIgloves.com.

Produced for Omni International by Princeton Media in Roanoke, VA. - Omni's staff has assembled a wide variety of information. You should find it helpful whether you are in the office or in the field. Additionally, it is a huge benefit as your customers seek specific information about our products should they not be able to communicate with you immediately.

The new site is full of great distributor / customer education under our Information Resource tab. We have included a very comprehensive GLOSSARY, CHEMICAL COMPATIBILITY CHART; PRODUCT SPECIFICATIONS, and other sought after information as well as sales tools helpful to you.

If you want our latest literature, in the future, you'll be able to pull it directly from our site as well.

Let's say an "end user" hits the site (as happens all the time). Now our new Information Request Form will ask for more information and we will forward the sales lead directly to an Omni stocking distributor.

Even though the new site is up and running, you may find parts of it under construction at times as we plan to update it frequently. Therefore, we consider it a "work in progress".

We intend on utilizing our new Web Site; GLOVE LINES and future communications to interact with our distribution partners.

As always, we thank you for your support and look forward to growing with you.

SPRING CLEANING "PALLET PARTY" SALE IN FULL SWING!

Omni International is celebrating with a "Spring Cleaning Pallet Party Sale" for our fast growing customer base. Our closets (we mean shelves) are full of #312 Powder Free Vinyl Examination Gloves.
