

Latex Powder Free PL Examination Glove

Our OmniTrust Latex Powder Free PL is a reduced protein glove. It has our famous (micro-texture) matte finish for added grip control without loss of tactile sensitivity. This glove is manufactured with a non-chlorination process thus maintaining the stretch characteristics of latex. A unique polymer coating gives this glove excellent donning characteristics. Omni International latex gloves are flat packed for optimum dispensing in sizes small through extra large.

- Non-Chlorinated Latex
- Polymer Coated for Easy Donning
- Ambidextrous, Beaded Cuff
- Micro-Textured for Superior Grip Control
- Single Use Only
