

Product Description

Our OmniTrust™ Micro-Textured Nitrile Powder Free is an economical yet durable glove that fits many applications. In addition to its medical, dental and veterinary applications, our Micro-Textured Nitrile glove is also an excellent glove for use in food service and food processing. It has a full matte, micro-textured finish for added grip control without loss of tactile sensitivity. Omni International Micro-Textured Nitrile gloves are flat packed for optimum dispensing in sizes small through extra large.

- Micro-Textured
