

Product Description

OmniShield™ AMS Anti-Microbial Multi-Purpose Nitrile Gloves are a revolutionary new addition to the AMS family of glove products. These gloves are a big step up from the traditional nitrile glove product. OmniShield™ AMS Nitrile Multi-Purpose gloves are designed for food service, food processing, housekeeping, general purpose, industrial or any non-medical use. They utilize built-in EPA Registered Anti-Microbial agents from Anti-Microbial Solutions (AMS) to protect the glove. AMS Gloves are made from the highest quality nitrile materials available. Available Powder Free. Packaged 100 per box, 10 boxes per case.

- Anti-Microbial
- Great for any food processing or service use
- Smooth with finger tip texture
- Not Made With Natural Rubber Latex
- For Use in All Non-Medical Applications
- Ambidextrous, Beaded Cuff, Single Use Only
