

Multi-Purpose Vinyl Gloves

OmniShield, OmniSafe and OmniTrust gloves are available in countless packaging styles for about any point of sale you can imagine. Whether you are looking for nitrile or vinyl gloves in either exam or general purpose styles, we have your customer's hands covered. Our famous AMS Anti-Microbial gloves have been flying off store shelves in both Omni and private label packages for many years. Their proven sales track record make them a profitable addition to your retail shelves, racks or even the check-out counter. And remember, all Omni International vinyl gloves are California Proposition 65 compliant.
