Non-Woven Shoe Covers

Introducing Omni's new Non-Woven Shoe Covers. This product is part of Omni's new and expanding line of Personal Protective Equipment. The OmniTrust™ Non-Woven Shoe Covers are made with security in mind. Our shoe covers have a non-skid bottom providing for stable and secure use in addition to its full elastic to ensure proper wear-ability. Our OmniTrust™ Non-Woven Shoe Covers are one size fits all so it's the perfect product for everyone. The shoe covers are made of non-woven polypropylene making them strong and durable. Our OmniTrust™ Non-Woven Shoe Covers are non-sterile, single-use only items and are not intended to be used in a setting where high-level barrier protection is required.
