Surgical Face Mask

Introducing Omni's new Surgical Face Mask. This product is part of Omni's new and expanding line of Personal Protective Equipment. The OmniTrust™ Surgical Face Mask is a Level 3 Face Mask (ASTM F2100 Level 3) with a BFE ≥ 99% rating. Our surgical face masks are 3 ply construction and manufactured with 100% polypropylene nonwoven fabric. Omni's Surgical Face Masks are non-sterile, single-use only items with metal nose strip and earloops allowing for the best fit possible.

Features and Benefits:

- Ear Loop • ASTM F2100 - Level 3 • ASTM F 1862 • Three Ply Filtering • BFE ≥ 99%
- Metal Nose Strip • Color: Blue • Not Made with Natural Rubber Latex • Single Use Only
