

OmniTrust Wound Care

Gauze Sponges Sterile & Non-Sterile

OmniTrust Gauze Sponges are made from high quality 100% woven cotton. They are highly absorbent and offer exceptional clinical performance. These gauze dressings can be used for general wound care, dressings, prepping, wound packing and debriding wounds. Non-Sterile Gauze Sponges are packaged in 200 count packages with varying packs per case. Sterile Gauze Sponges are packaged 2 per sterile pack with varying packages per case. See the specifications below for ordering.
