

## Disposable Cleansing Wipes

OmniShield Disposable Cleansing Wipes are perfect for personal cleansing use in hospitals/medical facilities, long term care and assisted living facilities or in any other setting where a comfortable premoistened cleansing wipe is needed for no-rinse cleansing. Our disposable cleansing wipes have a light fresh scent and made of soft material perfect for all skin types. Made without alcohol and enriched with lanolin and aloe, our wipes keep skin feeling moisturized and soft after every use. OmniShield Disposable Cleansing Wipes come in an easy dispense soft pack and are offered in two sizes; 8x12 and 9x13. OmniShield Disposable Cleansing Wipes, 8x12 soft pack contains 100 wipes per pack. OmniShield Disposable Cleansing Wipes, 9x13 soft pack contains 64 wipes per pack.
